Services Included

In addition to installing your decorations, Christmas Decor will take down your decorations and store them for you until you are ready to have them reinstalled next year. Prior to next year's installation, all lights and cords will be tested and replaced if necessary to ensure your display looks great throughout the season. In addition Christmas Decor does quality control visits throughout the holiday season to ensure the proper function of your Holiday Display.

Service Call Policy

Christmas Decor guarantees your display will be functioning and looking great at the completion of installation. Service calls may be billable depending on the nature of the failure (i.e. vandalism, extreme weather conditions, etc.)

Tree Growth and Replacements

All lights cords and clips or fasteners are warrantied for the first two years of your display.

In future years please understand trees and shrubs grow and thus require additional new lights to achieve the desired appearance. Also understand a reasonable number of light sets and bulbs may need replacement due to normal wear and tear. These will be billed after installation at product cost.
